Privacy / GDPR policy

Privacy / GDPR policy

It is the policy of the group that we respect the individuality of our employees, including their personal data and thus, privacy.

We will ensure that security procedures are in place and upheld to prevent unauthorized disclosure of confidential information and personal data.

Policy statements

We will live up to our policy by:

1. Verifying the effectiveness of our systems to protect personal data and information.
2. Acquire and retain employee personal data only to the extent, relevant to the employee's employment in accordance with the relevant national legislation.
3. Ensure that access to personal data is restricted to authorized personnel.
